### 100-Word Narrative about Conflict 2019

You are to write a 100 word narrative detailing something about conflict. A major conflict in your life, how you deal with conflict, and you don't deal with conflict. This needs to relate to your overarching theme/quote.

You should write 90-110 words (more or less will result in a point deduction). Make sure to have clear explanations. Make certain you are writing in complete sentences. You should not have any overused or non-specific words. Exciting, vivid words should be chosen. **Use the Colorful Writing Pack. Write in first or third person. Include a WHAM beginning.** Make your work incredible!

This is the first article that you will write for your Multi Genre Newspaper Portfolio. It will have to fit in an allotted space, fill that space, following all the writing rules, and be your best work.
